## Register for the FirstNet Response Operations Demo

FirstNet Response Operations Demo - A behind-the-scenes look at the FirstNet experience and how FirstNet and AT&T network disaster recovery teams mobilize to support public safety.

Tuesday, May 17  
McCormick Place West Building  
2301 S. Indiana Avenue, Chicago, IL

### In this session, you will:

- Check out some of the FirstNet dedicated deployable assets used to support disasters
- Hear local and national experts from FirstNet, the FirstNet Responder Network Authority, and AT&T
- Learn about the public-private partnership between the FirstNet Authority and AT&T – and how this helps your agency
- Featuring Dr. Olivia Johnson presenting, “The Fatal 10 Factors of Law Enforcement Suicide.”

The "FATAL 10" coined by Dr. Olivia Johnson, refers to the indicators or "themes" noted in the data collected from 2017-19 regarding Law Enforcement and Correctional Officer suicides, murder-suicides, non-fatal attempts, and overdose deaths. The themes were extracted from nearly 600 verified cases including active/sworn, retired, and former officers.
